Biography CODA Africa: South Africa's Fusion Powerhouse

Get ready for an electrifying blend of sound! CODA Africa is a unique fusion band that brings together the power of electric violin and cello, the energy of a house DJ, the soul of an African vocalist, and the fire of a rock sax. This captivating combination has made them one of South Africa's most sought-after acts for corporate events, concerts, and special occasions.

Their debut album, "Disclosure," wasn't just met with rave reviews, it earned them nominations for two All Africa Music Awards alongside industry giants like Mi Casa and Goldfish.
