

# Costa Nicolas

**Biography** Costa Nicolas is a musical prodigy with over 20 years of experience, recognized for his extraordinary talent and impressive career milestones. From playing with Jazz legends at age 12 to collaborating with icons like Sharon Stone and performing for dignitaries like Nelson Mandela, his journey has been nothing short of extraordinary.

A career highlight was composing a song for Sharon Stone's wedding dance, performed by Ray Charles and his band. Versatile in every genre from Jazz to Latin American, he's a sought-after entertainer, guitarist, vocalist, and recording engineer. Costa's music transcends boundaries, captivating audiences worldwide with his boundless creativity and passion.

A true maestro in every sense of the word, Costa Nicolas effortlessly traverses a multitude of musical genres, from the sultry melodies of Cocktail and Dinner music to the infectious rhythms of Pop, Dance, and R&B. His versatile talents extend to Latin American grooves, Rock anthems, soulful African beats, and timeless Golden Oldies, ensuring that every performance is a journey through the rich tapestry of musical expression.
