

# Face Painting

**Biography** Face painting that thrills everyone, young and old!

Whether it's a child's birthday party bursting with superheroes and princesses, or a grown-up gathering seeking a vibrant splash of fun, our professional face painters are sure to bring a smile to every face. Let your imagination run wild, from intricate butterfly wings to fearsome monster features – we can translate any dream into stunning, colourful art.

Make your next event unforgettable with the art of face painting!

For birthday parties, corporate events, festivals, or simply a family day out, imagine the joy as one of our expert face painters transforms your guests into their wildest wishes. In Sandton, Cape Town, Durban and across South Africa, our talented artists create magical moments that last a lifetime.

From dazzling designs on cheeks to intricate body art, the possibilities are endless! Our face painters aren't just skilled in bringing children's imaginations to life. They're equally adept at creating sophisticated, eye-catching designs for adults too. Whether you crave a touch of whimsicality or a dramatic, full-body masterpiece, our team will exceed your expectations.

Let's paint a smile on everyone's face!

Contact the Hands On team today to experience the magic of face painting. We'll bring your vision to life, creating lasting memories and unforgettable moments for all ages.

**Location** Gauteng, Western Cape and KZN
