Biography Jazz Company is a group of educated jazz musicians fronted by male vocalist, Andrew Massey, who produce a truly distinguished classic sound and style of jazz. Our music is straight-ahead cool jazz with a strong vocal element. The 'loungy' feel of the music could easily be categorized together with that of vocal legends Frank Sinatra, Harry Connick Jr. & Michael Bublé.

Jazz Company is an ideal live musical entertainment solution for banquets, Christmas parties, year-end functions, private parties, corporate launches, weddings and the like, where an atmosphere of intimacy, class and elegance is desired.
