

Monkey's wedding

Biography We're not your average three-piece. Monkeys Wedding is a fusion of sizzling guitar, thumping bass, heart-stopping drums, and powerful vocals, all brought together by a passion for creating unforgettable experiences.

Born from our desire to push boundaries and have a blast doing it, we strive to be exceptional musicians who pour their souls into every song. The result? A vibrant, captivating sound that will have you dancing the night away.

Music is our lifeblood. It ignites our fire, fuels our energy, and leaves us screaming for more. We're constantly honing our skills, pushing ourselves to be better, and building a legacy that will rock on long after the last note fades.

And the best part? We cater to every music lover. Our diverse repertoire features all the chart-topping hits you know and love, ensuring there's something for everyone to crank up the volume to.
