## **Biography** Sweeties with a Song

The Candy Shoppe, the well-known corporate duo featuring the fun and vibrant Andy Klee on vocals and Cathy Del Mei on saxophone, brings their signature show, “Sweeties with a Song,” to life. “Sweeties with a Song” is a unique 25-minute roaming dessert set for client events. Dressed in custom-made candy girl outfits adorned with fairy lights and real candy, Andy and Cathy transform into living candy dispensers, offering delightful treats throughout their lively 50s-inspired musical medley.

Clad in baby pink and blue satin corsets with yellow panels, Andy and Cathy’s playful tutus are adorned with colourful hooks, allowing them to become walking candy displays, ready to share a sweet surprise.
