Biography 20 Years of South African Rock Excellence – Book Them for Your Next Event!

This South African powerhouse celebrates two decades with their new album, 'Harbour', and they're ready to bring their electrifying energy to your next event! Boasting 5 platinum albums, 2 SAMAs, and countless "Best Band" awards, Watershed has shared stages with U2 and Peter Gabriel.

The band's core line-up features Craig Hinds (vocals, acoustic guitar, piano), Howie Combrink (drums, vocals, acoustic guitar, ukulele), Gideon Botes (electric and acoustic guitars, vocals), Quintin Askes (bass), and Paul McIver (acoustic guitar, vocals).

'Harbour' features 10 original acoustic tracks and a fresh take on The Waterboys' "Fisherman's Blues." Upbeat single "Mountainside" encourages leaving negativity behind, while "Out the Window" is a stunning duet with Lira.

Known for their captivating vocals, clever song writing, and electrifying live shows, Watershed seamlessly blends acoustic guitars, pianos, and ukuleles to create a unique and crowd-pleasing brand of acoustic rock. Their powerful and melodic sound, evident in hits like "Watch the Rain," keeps audiences mesmerized during their legendary 2-hour performances. Watershed is a guaranteed crowd-pleaser, perfect for festivals, corporate events, private parties, and more.
